

AMAL'S guide to Storyboarding!

The main point of
storyboarding is to
understand how
your product fits
in w/ the world.
You want to
illustrate a
scenario

THE GIST

DON'T USE THIS TO
ILLUSTRATE ALL THE UI
FEATURES & COMPONENTS...*

*this is what paper
prototyping is for!

RED & SEAN WERE
BORED AFTER GOING TO
THE BLUEGRASS FESTIVAL,
& DECIDED TO FIND OUT
WHAT ELSE THEY COULD
DO...

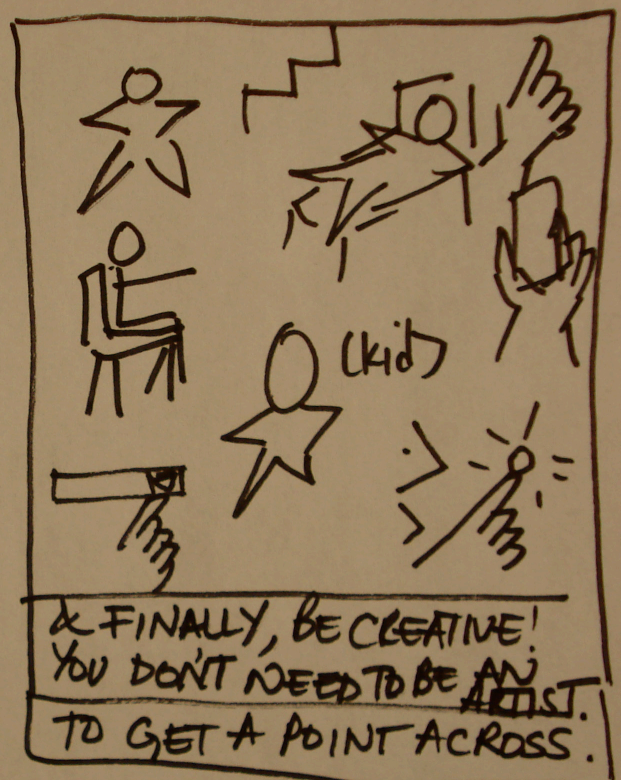

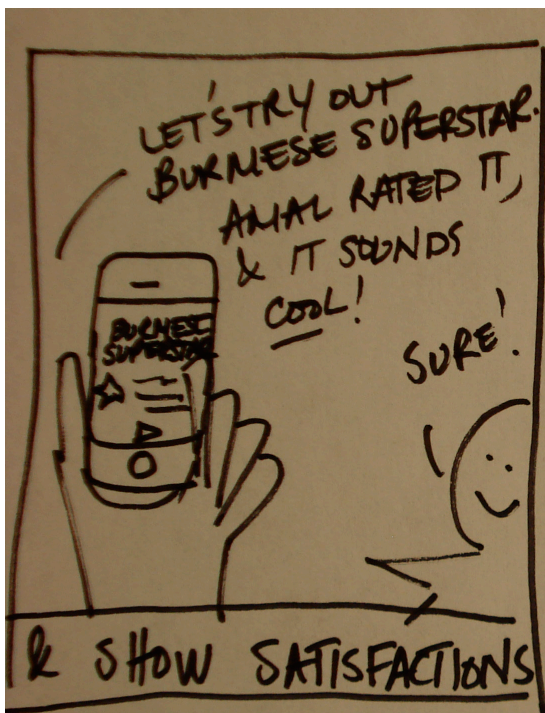

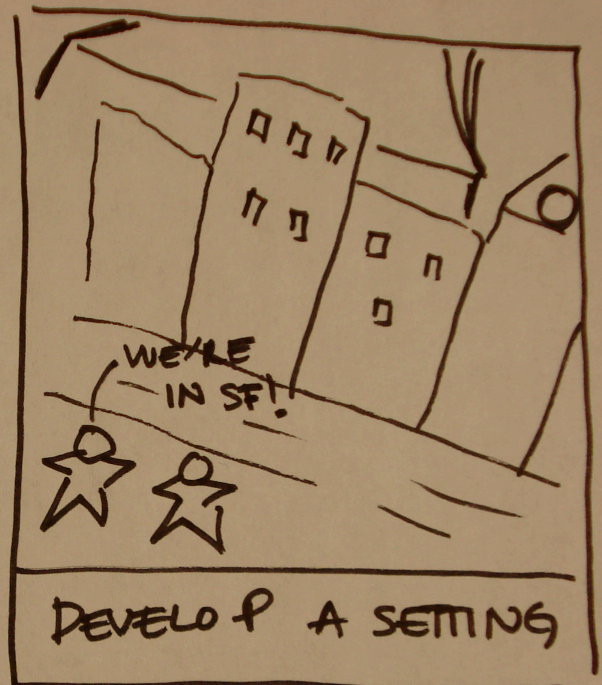

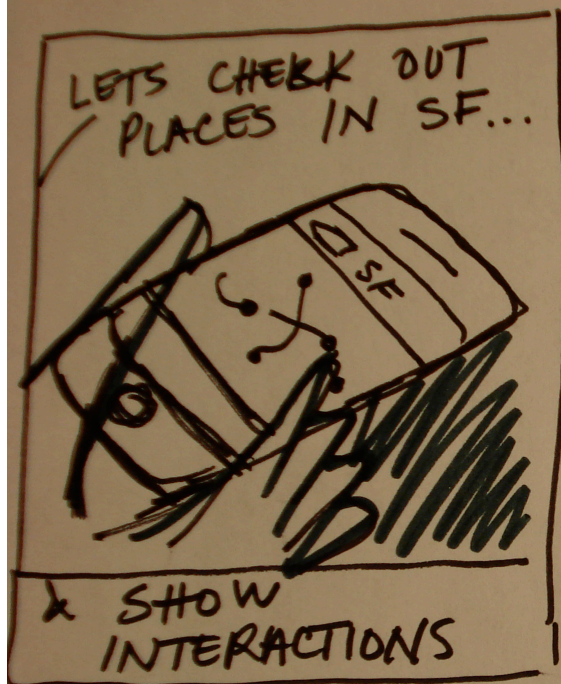

O- DUDE,
WHAT
DO WE
DO?!

<RED>

O- LET ME
USE
TOURSAFARI
ON MY
iphone.

<SEAN>

INSTEAD, SHOW WHY &
WHEN features would be
used

Things to think about when sketching
